## You can help our children flourish

Would you like to join our team of school governors?

Being a governor is one of the most rewarding voluntary roles that can make a huge difference to children's lives.

Ellingham and Woodton Primary School Federation is looking for new governors to join the governing board. The governing board welcomes people with different backgrounds and from all walks of life that can bring their experience, knowledge and understanding to the role.

As governors we are there to set the strategic vision for the Federation, so if you feel you have the ability to look at the bigger picture then please contact:

office@woodton.norfolk.sch.uk or  
office@ellingham.norfolk.sch.uk
